

Twist and shout

(John Lennon)

A⁷ DGA GA DGA⁷

R. Well, shake it up baby now,
twist and shout.

Come on, come on, come on, come on baby now,
come on and work it on out.

1) Well, work it on out,
you know you look so good.
You know you got me goin' now,
Just like I knew you would.

2) You know you twist, little girl,
you know you twist so fine.
Come on and twist a little closer now
and let me know that you're mine.
